THE BETA NETWORK

Tom Bussineau has been appointed by General Secretary David Wright to be the Head Marshall at this summer's Beta Theta Pi convention in Atlanta. Tom writes: "This means I will be working with other District Chiefs to 'police' the convention and keep our delegates out of trouble. I will be staying up late and monitoring the hotel hallways, but it is an honor to be named to the position."

Betas in the Military Update

A1C **Justin D. Warnack**, EG 269 writes: "Hey, it's been a long time since CMU. I joined up with the Greatest Air Force in the world in December of 01'. Since then I've been across the world. I'm stationed in Las Vegas at Nellis AFB. I was deployed to Pakistan in support of Operation Enduring Freedom. We spent a short 120 days there. I'm part of a reconnaissance unit that provides Intel to commanders and troops on the ground in support of combat operations. Actually I'm a co-pilot on Predator. Predator is an Unmanned Aerial Vehicle. It's a great job and we're really helping in the war on terror. I hope everybody is doing well back home. Best of luck to everyone."

1LT **Andrew Arthur Theume**, EG 271 writes: "Hi Everyone, Finally after 374 days I'm out of Iraq and Kuwait. I just walked in the door of my house I have no clue about my new address or phone number because, well I'm kinda lazy and my brain is still on Kuwaiti time. So any how I talk to you all later."
