RECOLONIZATION UPDATE

The recolonization effort is well underway and proving to be very successful. As of last Thursday night, 14 men had accepted bids and an additional 15 prospective new members were to attend an event on Friday. David Rae, Director of Expansion & Recruitment wrote "Things look promising." For more information go to our website www.epsilongamma.org.

YOUR PRESENCE IS REQUESTED! - NOTICE THE CHANGE IN LOCATION!

THURSDAY, OCTOBER 28 - 7:00 PM - MOORE HALL KIVA - CENTRAL MICHIGAN UNIVERSITY

FORMAL INDUCTION CEREMONY

At the conclusion of the recruitment process, the new assembled group will meet for the first time, to experience the formal induction ceremony for Beta Theta Pi and conduct their first Re-Founding Father education meeting. The Re-Founding Father education meetings will take place on a weekly basis, synonymous with a fraternity's chapter meeting. Each meeting will explore a different goal of the Men of Principle Initiative, complete with group discussions lead by various undergraduate officers and chapter advisors. The meetings typically last two and one half hours.

At this meeting the Re-Founding Father class will begin their pledging process. The recolonization and advising teams have requested alumni presence at this event. It's important that we welcome these potential brothers and provide encouragement to guide them through the next few weeks of establishing the colony. Dress is suit and tie.

The advising team would appreciate your attendance at this event. If you can make it, please contact Dave Steiner djsteiner2@yahoo.com or call (586) 795-9496) to let him know you can attend. You can also contact Dave if you have any questions.

EPSILONGAMMA.ORG IS CHANGING SERVERS

Please be advised that we are moving our website to a new server within the next couple of weeks. We're getting 5 times the space for only 1/3 of the cost of the old service. It may take a while to get everything up to full speed as all of the password information must be manually entered again.

Because of the server change, the E-news for November may be a little late.
