THE EGHC IS LOOKING FOR A FEW GOOD MEN

The nominating committee of the Epsilon Gamma Housing Corporation (EGHC) is accepting nominations for vacancies on the board of directors. At its annual meeting on August 12 the Board will consider nominations for up to two 3-year terms and approve a slate of officers for 2006-07. The board is also considering adding another board member this year.

We need some new blood. A few of the members on the current board have expressed a desire to leave the board at the end of 2006-07. In order to keep a sense of continuity a year from now, we need people to step up and join the board this year.

Board members participate in a mid-year meeting (usually held in the Detroit area in January/February) and an annual meeting/work weekend (usually held in Mt. Pleasant in August); conference calls (as needed); attend Homecoming, Pig Roast and anniversaries whenever possible; and contribute content for newsletters/website. Officer tasks vary, but tend to be more involved than directors-at-large.

If you have any questions about serving on the EGHC board, are interested in serving the EGHC, or would like to nominate someone for service on the Board, please contact Tom Bussineau (252) 633-4254 or thomas.bussineau@uscellular.com.

Nominations will be accepted through July 1.

NEW LEADERSHIP CONSULTANT

CMU's new Leadership Consultant Adam Porter-Price, *Connecticut '06*, will begin work for the Fraternity next week. Adam will be working closely with undergraduate and alumni leaders to help the colony reach the goal of being in compliance with all Standard Chapter Operating Expectations by August 2007.

After his training in Oxford is complete, Adam will be located in an apartment in Flint. A large part of Adam's area of responsibility in the upcoming year will be the recolonization effort at Kettering. (Formerly GMI)

Adam's email at the AO is aporterprice@wooglin.com.

Welcome Adam!

THE BETA NETWORK

- Founder and Chapter Counselor **Greg Compton `86** has been selected as a Leadership College facilitator at this summer's General Convention in Toronto!
- **Carlisle Braun `00** writes: My family's business is looking to hire managers for its facility in Key West, FL, while assisting in the expansion to Key Largo and Islamorada, both islands of the Florida Keys.

The need is for a summer assistant manager at our location in Key West- Last Key Bingo and Arcade. But if all goes well, and the brother is interested in a long-term position at this or another facility, such a possibility can be discussed. The hrs will be 40-45 per week at \$15/hr. The hrs are irregular: it may involve a morning start of 10AM going into the evening, or an 6-7PM start going into the early morning/late night. Also, housing may be provided and transportation to and from Key West may be provided.

The only qualifications are that brothers be reliable, honest- it is a cash business- and a quick study.

Any questions should be directed to me via email. You can view a draft of a short 40 second Comcast commercial of the Key West location here: http://www.epsilongamma.org/_graphics/_beta_network/LASTKEYBINGO5-11-2006.wmv.

- **Jim Mottern `91** is getting married on July 28th!
