- **Steve Siler `89** writes: Five years in Kansas -- it has been fun -- but its time to move on. Something about moss and rolling stones -- or is it an inability to keep a job. Anyway -- we've moved to Orlando -- we're only 10 minutes from Disney and I know that everyone brings their family here for vacation -- so hopefully we'll have the opportunity to see a few more brothers than we did in Kansas. I've taken a position with Darden Restaurants (Olive Garden & Red Lobster) as their Compensation Director. Looking forward to seeing everyone at the next anniversary or when your here on vacation.
