Colony Update

By *Scott Nadeau '89, EGHC Communications Chairman/Advisor*

Here's some highlights from EG:

- The colony recruited 8 men this semester! That brings the total to 15 new members recruited this year. They have recruited more new members this year than any other fraternity on campus.
- The colony GPA from Fall Semester is 3.21 - a new Epsilon Gamma record. Their closest competitor is Sigma Alpha Epsilon with an average of 2.96, and the campus average is hovering at about 2.9.
- Representatives from the Colony E-board, Advising Team, EGHC and General Fraternity met Saturday in an effort to improve communications and processes to work toward our common goal of chartering and having a successful chapter at CMU. Most of the changes will be invisible to alums, but you should start seeing quick updates from each entity in these E-newsletters starting in March.

The colony is also actively planning philanthropic events for this semester, planning the Pig Roast, and rolling out some fundraising activities.

Please send any notes of congratulations on the colony's performance to President Brandyn Lawson '09 lawso1bk@cmich.edu.

Golf Outing 2007

This year's outing promises to be the best ever! Brothers **Jon Eadie '93** and **Mike Wharton '92** have volunteered their services and have been appointed as Co-Chairs for the event. They have many innovative and exciting ideas for enhancing this time-honored EG tradition.

Jon and Mike are looking for ideas and for volunteers to make the 2007 Golf Outing a truly memorable event.

To volunteer your time and/or offer up your ideas, contact them at: golfouting07@epsilongamma.org.

You'll be hearing more from Jon & Mike soon.

Pig Roast 2007

Mark your calendars. The Pig Roast will be held on Saturday, April 21st at Island Park in Mt. Pleasant.

More information next month.

Got ideas for the Pig Roast? Send them to scott.nadeau@epsilongamma.org.

Spring 2007 Scholarships Announced

By *Scott Sawyer '99, EGHC Vice President*

The Epsilon Gamma Housing Corporation (EGHC) of Beta Theta Pi Fraternity is proud to announce this semester's scholarship recipients. This marks the third time that the EGHC has awarded scholarships to undergraduates from money raised through the ongoing capital fundraising campaign. The recipients of these awards all show a dedication to the principles of Beta Theta Pi Fraternity.

The Matthew W. Mularoni '95 Scholarship (\$250) and the Grant Armand Kersten Jr. '86 Scholarship (\$250) have been awarded to Todd Brandon Wood '08. Todd Wood (EG340), a Junior at Central, has a 2.95 G.P.A. with a History Major and an ROTC Minor. Todd has received the General Motors Award (given to the

freshman in ROTC who has the highest G.P.A.) and he is the Vice President of the National Society of Collegiate Scholars. Todd also has been a part of the Queen's Guard Drill Team, Cannon Club, Program Board, and the Michigan Army National Guard. Todd has held the position of Ritual Chair for the active chapter.

The Trevor J. Wisniewski 91' and Bryan D. Hix 93' Scholarship (\$500) has been awarded to Drew Mason `10. Drew Mason (EG 346), a Freshman at Central, has a 3.87 G.P.A. and is studying Elementary Education and music. Drew has participated with the Peer Assistance Leaders and is part of the Marching Band Drumline. Drew has held the position of Chorister for his pledge class.

More than a dozen annual scholarship funds have been established by Chapter alumni through a special ongoing Capital Fundraising Initiative. Some \$2,250 has already been awarded to undergraduate members since the program's inception in 2005.

The next scholarship application process will begin in May.

Directory Update/Lost Brothers

By Scott Nadeau `89, EGHC Communications Director

The membership directory has been updated for the first quarter of 2007.
(http://www.epsilongamma.org/alumni_files/directoryinfo.htm)

As of this writing there are 333 people in our database. (Out of 347 roll numbers) 234 members have active e-mail addresses and 274 have valid mailing addresses. The total number of contacts we have on file (either e-mail or mail) is 297 or 89% of all EG Betas.

The following list of people have either incomplete or no information in our database. This means that they do not receive either the newsletter the E-news or both.

Please help a brother out! Look for names that you know near your roll number.

If you have an e-mail address or mailing address of anyone on the list, please forward it to me at scott.nadeau@epsilongamma.org so I can at least send them these periodic updates.

If your name is on either list, please go to:

http://www.epsilongamma.org/alumni_files/betabase.htm and update your information.

At the time she was living in Arkansas. We dated for about 8 months and then she moved to Chicago in April 2006. We got engaged in June of 2006 and then married in Dec. Living in Chicago currently.
- **Erik Weatherford `00** writes: There's a new addition to the Weatherford family! Kathryn Lynn Weatherford was born January 4th, 2007. She was 4 weeks early but weighed in at 6 lbs 4 oz anyway. Kathryn and Amy (CMU, Delta Zeta '01) are doing great. In fact we're all doing great. Amy is on her maternity leave from teaching. Kathryn's early arrival will put Amy back in the classroom for the last couple weeks of school before summer, but Amy is enjoying the time nonetheless. She has also taken a leave of absence from coaching Volleyball here in Kentwood but will be back in the saddle next season with a little "assistant coach". I think Kathryn is already set for the Volleyball "draft" when the time comes. I'm still with DHL Express and recently took over Grand Rapids and Battle Creek as the Account Rep for both areas. Sales have been very good and growing. How fun it is to steal business from FedEx and UPS! Take care. Erik Weatherford EG235
- **Brad Ervans `01** writes: Effective on January 9th, 2007, I have been promoted to General Sales Manager of NextMedia's Crystal Lake cluster. I will oversee all revenue generating activities of WWYW, Y-103.9 FM, and WZSR, Star 105 FM. Crystal Lake is part of the "far northwest suburbs" of Chicago, and really is just about the outer limit of suburbia. I look out my office window, and I can see cows and corn fields. It's just like home! I have no idea how long I will be working here, but if anyone wants to come visit, they would be most welcome! My new cell phone number is (815) 353-5045, and my email will stay the same. Yours in ____kai____, Brad Ervans, `01 EG220

Sad News to Report

By Scott Nadeau '89, EGHC Communications Director

I belong to several CMU e-mail lists through their inCircle web site. (<https://incircle.cmualum.com/>) I received this sad news yesterday - you guys that were in the chapter in the late 80s and early 90s may want to sit down.

H & R Pizza and Subs is no more.

From my source: "The business is now called Crust & cues and is struggling. Young guy bought the sandwich shop from Mrs. H and Russ and she showed him how to make all the sandwiches but he tells me it is not going good."

If any undergraduates are interested in checking the place out, it's at 304 W Broomfield St. It's in the same building as the 7-11 that is located behind the towers. Many brothers (including myself) always put H & R at the top of any list of places to eat while you are visiting Mt. Pleasant.

For the Staunchest E-newsletter is compiled and edited by Scott Nadeau '89, EGHC Communications Director. If you have any questions or comments please send them to scott.nadeau@epsilongamma.org.
