18th Annual Epsilon Gamma Golf Outing

By Jon Eadie '93 and Mike Wharton '93, Golf Outing Chairmen

How's your golf game? Are you in mid-season form or are you still shaking off the winter's rust? Either way hopefully your game will be in shape for the Epsilon Gamma Golf Outing on August 18, 2007 at Brae Burn Golf Course.

Planning for this year's event is progressing rapidly and our tee time will be here before we know it. This event offers a great opportunity to reconnect with the brotherhood from the past and a chance to meet the current actives who had such a successful 2006-2007. Early registration is encouraged. Thanks to Scott Nadeau registration is as easy as reading this message. Just go to http://www.epsilongamma.org/events/upcoming_events.htm#golf_outing_07 and follow the instructions at the bottom of the page.

We are currently looking for people who are interested in sponsoring the event and/or the poker tournament. It's a great way to support what we expect to be the premier brotherhood event on the calendar. Please contact Jon or Mike at golfouting07@epsilongamma.org if you are interested or have questions.

Yours in _kai_

Olver Elected CFEA President

From www.thebetathetapi.org web site

Thomas C. Olver, Central Michigan '98 was elected president of the College Fraternity Editors Association (CFEA) on Saturday, May 19 at the Association's annual meeting in Richmond, Virginia. Established in December 1923, CFEA is composed of fraternities and sororities committed to communicating the highest ideals of the fraternity system and its achievements.

"In the days ahead, CFEA will focus on enhanced internal communications, improved external partnerships and a continued focus on education and recognition," explained Olver. "In the spirit of being an organization that is indispensable to its members and the greater Greek community, I will ask the Board to authorize an ongoing Strategic Planning Initiative that will provide us with a bright future for years to come," he said. (Listen to complete speech [here](#).)

Appointed editor of The Beta Theta Pi magazine by the General Fraternity's Board of Trustees in November 2001, Olver became the 12th and youngest editor since Charles D. Walker, VMI 1869, who founded the publication on December 15, 1872 at the age of 24. The Beta Theta Pi is the oldest continuously published college fraternity magazine.

Olver served as CFEA treasurer (2004-07) and chairman of the Scholarship/Grant Committee (2005-07.) He was previously a director on the CFEA Board, Varner Committee chairman (twice) and Public Relations Committee chairman, and has been involved with CFEA since 2001. In May 2005, Olver's professional responsibilities expanded to overseeing the communications department as director of communications.

Olver is the third member of Beta Theta Pi to lead the 83-year-old association. Francis Wayland Shepardson, Denison 1882/Brown 1883 served as CFEA's sixth president, 1932-33, and L.E. (Erv) Johnson, Idaho '53

held the post in 1998-99.
