LAST CALL!

19th Annual Epsilon Gamma Golf Outing

By Jon Eadie '93 and Mike Wharton '93, golf outing chairmen

The Golf Outing will be here next weekend. We have been overwhelmed by the outstanding response thus far. We are just a couple of players short of guaranteeing a shotgun start. In the interest of trying to break the all-time attendance record and to secure the shotgun start **we are extending the \$99.00 deadline until Monday, July 7, 2008.**

If you know someone who is on the fence give them a call or an e-mail. If you listed someone as a potential partner and they haven't signed up, give them a slight push.

If you have any questions or have an item you would be interested in donating for a prize please do not hesitate to contact us at golfouting@epsilongamma.org.

See you next weekend.

EGHC Meeting to Take Place in August

By Scott Nadeau '89, EGHC communications director

The Housing Corporation will be meeting in Mt. Pleasant on Saturday, August 16th. On the agenda for this year's meeting will be the 2008-09 budget, 2008-09 leasing of the house and possible renovations to the basement.

As you know by now, Tom Olver is stepping down after several years of serving as president of the corporation. The main focus of the meeting will be executive board transitions and elections for board

members (up to 3 slots are available) and elections of new officers.

If you are interested in a spot on the EGHC, please contact me by e-mail. scott.nadeau@epsilongamma.org

EG Betas Attend the Wooden Institute

By Tom Olver '98, EGHC president

Jacob Zolynsky, Marcus Luke and Justin Mack participated in *The John and Nellie Wooden Institute for Men of Principle* in Oxford, Ohio, June 28-July 2. *The Wooden Institute* is an incredible opportunity for initiated Betas that focuses on the ritual of Beta Theta Pi and becoming a better leader. The program allows Betas to interact with brothers and Friends of Beta from across North America. Participants share ideas, dissect Fraternity ritual, partake in challenging activities that focus on leadership skills, learn more about the history of Beta Theta Pi and reflect on the Fraternity's heritage.

The Beta Network

- **Jimmy Latoff '99** writes: I am living in Arlington, VA, and working as an attorney. I got married last October, and my wife, Ruth, works for the FBI, which is kinda crazy. Who knew? Life is pretty good. I am racing my bicycle now. On a team, coach, the whole nine yards.
- **Steve Siler '89** writes: What a year for Lawrence Kansas -- Orange Bowl Championship Football Team; National Championship Basketball Team and the Siler's return home. Even though the first two were great parties and we loved every minute of the games and celebrations -- it's the last event that has been the most time consuming. After a short stay in Orlando Florida (great place to visit, NOT where we wanted to raise our family) we have "re-settled" in Lawrence. Our new address is 1118 Brynwood Court; we also have a new e-mail address (as our old one was compromised -- did anyone send money for my hotel bill?) -- ssiler-at-sunflower.com. A new role with a financial services company -- Security Benefit -- occupies my daylight hours; while our future Betas (I hope) occupy our evening and weekends. If you ever find yourself in Kansas City or Lawrence -- please let us know -- the beer is always cold and plentiful.
- **Phil Klassen '09** and Cassie Robbins are engaged!
