## 21st Annual Epsilon Gamma Golf Outing Report

By Jon Eadie '93 and Mike Wharton '93, golf outing co-chairmen

Thank you to everyone who helped make this another outstanding Epsilon Gamma Alumni Golf Outing. The weather looked dicey all morning, but right as we teed off the skies cleared and we had a rain free afternoon.

Congratulations to Matthew Baad and his partner Jeff Dhaenens, who won the A Flight with a -2 score of 68, and the Featherstones, Bill and Danny, who won the B Flight with an 84.

Bill Qualls won the closest to the pin and Michael Wharton won the longest drive on the front nine while Scott Nadeau won the closest to the pin and Steve Desmet won the longest drive on the back nine.

Greg Compton won the Texas hold'em tournament in an exciting finish over John Hill, who finished second, and Marc Rosa, who finished in third place. John Hill also won the CMU at Northwestern football prize package of two nights hotel and tickets to the game.

It was a great day to be an Epsilon Gamma Beta and great day to be an EG founder with Brother Baad's success on the course, Brother Compton's at the poker table and the appearance of Tom Bussineau (the 25th Anniversary is going to be great - [register now](#)) and the first true EG legacy Tyler.

Those of us who organized the outing would like to especially thank those of you who made it happen including David Steiner, Sr. who donated the Chicago package, Ken Breen, Chad Saha and Tom Olver for their generous donations of prizes, Tim McGovern for organizing the skins game and creating the scoreboard, Steven Desmet for organizing and running the poker tournament and Scott Nadeau for communications and doing everything he can to keep this organization running smoothly.

We would also like to thank Jeff Dhaenens, Matt Baad's playing partner, who won the 50/50 raffle and donated a large chunk of his winnings back to Epsilon Gamma. He only asked that because of his association with the Boy Scouts of America, in remembrance of his donation, the next time you have the opportunity to help a scout by buying pop corn or participating in their fundraiser you do so.

Finally would like to thank the 38 other brothers, family members and friends who joined us at Hilltop Golf Course. We had a great time organizing and participating the outing once again and look forward to next year.

The Epsilon Gamma Housing Corporation (EGHC) is honored to award five deserving undergraduates scholarships totaling \$1500. The EGHC would like to thank all of our donors to the scholarship program, and we look forward to providing many more scholarships in the coming years. This year's scholarship recipients excelled in the classroom, in the chapter, and on campus. Each brother exceeded the standards and responsibilities on wearing the badge and bearing the name of Beta Theta Pi.

The first recipient is Brother Jeffrey Zapolski of Saginaw, MI who received the Jeff Hughes Family \$500 Scholarship. Jeff has a 3.93 GPA while studying Finance and Economics. Jeff has held the position of Treasurer, Risk Manager, and Scholarship Chairman for the fraternity and has served as the Vice President

Since 2005 almost \$15,000 — divided into \$250 and \$500 scholarships — has been awarded to undergraduate members of Beta Theta Pi since January 2006.

The Epsilon Gamma Chapter of Beta Theta Pi is dedicated to building men of principle for a principled life. Our brotherhood aids the individual, builds the fraternity and strengthens Central Michigan University through lifelong devotion to intellectual excellence, high standards of moral conduct and responsible citizenship. ## The Beta Network

- **Andy Woodliff `95** writes: My wife Kristen and I are proud to announce a new addition to our family. On January 5, 2010, our daughter Reagan Blair Woodliff was born. She is healthy, fun, and brings tons of joy to our family. *(My apologies to Andy, this should have appeared last month)*
- **Major Matt Mularoni `95** writes: I recently arrived in Kandahar, Afghanistan---so yes I have found myself yet again in the very epicenter of military operations. My unit, the 504th Military Police Battalion, will spend the next year working very closely with the Afghan National Police. Please let everyone know to take the news with a "grain of salt" that Kandahar City is not burning and the Taliban is not in control. The city

functions at the D+/C- level but getting better every day. Everyone forgets that the US has not paid much attention in the south during the last eight years.

My mailing address: MAJ Matt Mularoni,  
HHD 504 MP BN, KAF, APO AE 09355.

Yours in -kai-, Matt

- **Jeff Weakland `04** and his wife Liz announced the birth of their son Connor Alan Weakland. He was born at 10:59 on July 19th, weighing in at 6 lbs. 14 oz and 20 inches long.
