## Work Weekend at the House July 22-24, 2011

*By Tylere Presley '12, chapter president*

I hope everyone is having an enjoyable and pleasant summer. The undergraduates are planning to have a work weekend at the house July 22nd-24th. There are a handful already that are going to be there and surely more will come. They are hoping alumni will join them.

The weekend shouldn't break anyone's back, but we are hoping to get a lot done. Below is a brief outline of what the weekend will look like.

Friday will not necessarily be a work day, consider it more of a socializing day. A chance to scope out what the next two days will look like; buying supplies, getting something to eat, and hanging out with everyone.

Saturday is when we will really start to get things done. Plan to start early and go late. We want to get as much done as possible in the limited amount of time that we have. Again we will have snacks and possibly some pizza, then hangout late that night if we are up to it.

Sunday will be finishing anything that we didn't get accomplished the previous day.

If you can only make it for a day, then come for that day. It may be wise if you do come to ask a Brother nearby if they are going so you can car pool.

For those of you who haven't been in Mt. Pleasant, there has been some work going on down Main St. since May. I have attached some photos of the new Sigma Alpha Epsilon House and Delta Chi House. Both of these houses are located closer to campus than the Beta House. However, ours will always be the best, but only if we are able to continue to keep it the best, and a work weekend like this will guarantee that.

## 22nd Annual Epsilon Gamma Golf Outing

A great time was had by all at the Golf Outing this year!

Travis Converse and John Scott won the "A" Flight, and the combo of Matt Petrusha, Thomas Ahearn, Nathaniel Kioski and his dad Wade won the "B" flight.

Congratulations to Jeff Noordof for winning the 5th annual Texas Hold'em Tourney. Tim McGovern came in second place.

There were a lot of great door prizes given out and we even made a little money for the fraternity.

Here are the photos from the event:
